12 learn nothing from the release

1 of these pilots, but others could

2 learn much. In thinking

3 that the "information" that

4 has been released, allegedly based

5 on them is not, in fact, based

on them. This whole thing has

among other things, fail to say that

10 we did the same thing but on

11 a much larger scale & now it is

12 quite possible we needed the same

1 type of re-arming & refitting

2 which DRV could have put to

3 Sunday - Kissy Suzuki to Kabuki. KO hasn't
